

# **Euro-Mediterranean Water Information System**

**Information and training seminar on  
structures, references and collection  
methods for directories and catalogues**

**Madrid (Spain) 2000-06-12/16**

**Discussion on the Data Model**

**Eric Mino (Coordinator EMWIS Technical Unit)**

# **Yellow pages data model**

## **Issues to be discussed**

- **Is the model presented complete?**
- **Are entities (i.e. tables) well defined?**
- **Are fields well defined?**
- **Are relations (i.e. links) non ambiguous?**

# Is the Data Model complete?

- **Able to represent the characteristics of organisations:**
  - **Institutions**
  - **Training centres**
  - **Research**
  - **Documentation centres**
  - **Data management org.**
